

REMARKS

This preliminary amendment is in response to the Notice of Omitted Items mailed March 9, 2004. The notice of omitted items identifies that Figure 6C described in the specification was omitted from the application. The reference to Figure 6C (which doesn't exist) was left in the specification by error. Accordingly, Applicant request paragraph [0025], which contains a reference to Figure 6C, to be removed. The Applicants respectfully request entry of the amendment and consideration of the present application as amended.
